## 7<sup>th</sup> Grade Math

We are working on scale factors and scale drawings this week and will finish unit 1 next week. We will have a unit test next Friday.

## 7<sup>th</sup> Grade Social Studies

We will be starting a research project on key individuals that help establish Arkansas. There will not be homework.

## 8<sup>th</sup> Grade Math

We are continuing our unit on translations, reflections, rotations, and dilations. The eighth graders will be taking the Explore test Tuesday, October 14. We will have a small test over transformations on Thursday.
