

Mr. Stane's Newsletter

11/3---11/7/2014

World History

We will be studying the cultures of North America and South America. We will be looking at the Mississippi Tradition cultures closely because of our area. The students will have a test Friday November 7th. Study guides will come home Thursday night.

Math

In math we will be using percents to find interest earned on various banking and investment practices. We will also be using function tables to find coordinates for ordered pairs to plot points on graphs.

English

We will continue to fill out forms and application that are practice for completing banking forms. We will also use phones, laptops or I Pads to look up information for biographies of individuals of interest.
